Dear Terese,

Thank you for agreeing to participate as a member of panel discussion regarding certification, recertification and training of Road Foreman from a shortline perspective.

As I stated in our telephone conversation the American Association of Railroad Superintendents winter meeting will be held at St. Louis in the Airport Hilton February 7, 1994.

Your experience and leadership will help make this panel discussion a very informative and productive event.

If you have any questions concerning your assignment please do not hesitate to give me a call.

Sincerely,

John J. Stoffer
